

# How to complete a Nutrient Advantage Sample Submission Form

Nutrient Advantage Sample Submission forms are for clients who do not use the Nutrient Advantage Advice software to data enter their own sample information.

Ensure you have the correct form for the **Sample type** i.e. Soil, Plant Tissue, Water, Lime/Gypsum, and Compost/Manure and **Industry type** i.e. Cropping, Pasture, Horticulture or Sugarcane. Please note that Credit Card payment forms are also available for non-account holders. For Soil Cropping samples we also have a Soil Nitrogen Form. All forms can be downloaded from our website [incitecpivotfertilisers.com.au](http://incitecpivotfertilisers.com.au) > **Soil/Plants** > **Fields Facts**

## Account Details:

**NAA User ID** is for Nutrient Advantage Advice Users and is given to you when you register to use the software. If you don't have a user no. then leave this blank or contact NA on 1800 803 453

**IPL Acc No.** is your Incitec Pivot account number to which the sample fees will be charged. This is mandatory. Please enter Account Name to confirm account details

**Grower No. and name** refers to the farmer where the sample originated. The number is the code you have set up for the grower in NAA. If they have not been set up just enter Grower name and address details

## Sample Details

**Test Code** refers to the Test Code found on the NA Pricelist or a Custom Quote number. This is also mandatory.

**Sample Number** is the Barcode number taken from the sample bag. This is mandatory.

**Sample Name** should match up with the sample name written on the sample bag as a check measure. This is also mandatory.

## Fertiliser Recommendations Required

Do you want to get a fertiliser recommendation in addition to your sample results?

No – You will get a nutrient Results only report and you do not need to continue

Yes – You need to complete further sample details on the back of the form  
Observe the Warning.
